Opposition No. _____

Opposer,

Vs.

In the Matter of Application
Serial Number 86-008883

WDFC SA

Mark: EVERLINE
Filed: July 12, 2013
Published: December 3, 2013

Applicant.

NOTICE OF OPPOSITION

EverBank, a federal savings institution organized and existing under the laws of the United States and having a business address of 501 Riverside Avenue, Jacksonville, Florida, 32202 ("Opposer"), hereby opposes registration of the above-referenced application ("Application") filed by WDFC SA ("Applicant"), and requests that registration of the Application be refused. Opposer believes that it will be damaged by registration of the mark shown in the Application, and hereby opposes the same.

As grounds for its opposition, Opposer asserts as follows:

1. Opposer has been engaged in the business of online financial services under the name "EverBank" since 1999, fourteen years prior to the filing of Applicant's Intent to Use application for online financial services.

2. EverBank has established substantial rights in connection with the service mark "EVERBANK" and a suite of other marks incorporating "EVER" as the distinctive element in combination with descriptive terms pertaining to financial services ("Opposer's Marks"), since at least as early as April 23, 1999, and, upon information and belief, prior to any date which Applicant can rely, and Opposer continues to use these marks in connection with financial services.

3. Opposer's Marks constitute a "family of marks" recognized by the common characteristic of the term "EVER," boldened to stand out in design marks, and which is also Opposer's Stock Ticker symbol, combined with terms relating to financial services.

4. Opposer's Marks are broadly protected and known nationally through national advertising and online services provided nationwide.

5. As a result of Opposer's substantial investment in marketing, promotion and advertising, and wide use of Opposer's Marks, consumers have come to recognize Opposer's Marks as signifying Opposer's services, and Opposer has developed substantial and valuable goodwill in connection with Opposer's Marks.

6. Currently, Opposer's Marks consist of several U.S. federal registrations, as well as international registrations, for its primary "EVERBANK" mark; U.S. federal registrations for several marks combining the distinctive "EVER" with descriptive terms pertaining to the services, "EVERHOME," "EVERTRADE," "EVERCARD," and a pending application for "EVERLOAN;" and several marks incorporating "EVERBANK" for various services, including but not limited to, online banking, investment advice and brokerage, banking, credit and lending services. Several of the registrations have achieved "incontestable" status. The following Opposer-owned registrations are valid and subsisting, unrevoked and uncanceled, and Opposer is beneficiary of all goodwill associated with them. (Please see Exhibit A for the corresponding TSDR data showing current status and title of registration for each registration listed below, pursuant to TBMP §317). The relevant registrations and pending application are below; incontestable marks are designated with an asterisk:

7. Notwithstanding Opposer's rights in and to Opposer's Marks, on July 12, 2013, Applicant filed its Application claiming a "bona fide intention" to use the mark "EVERLINE" for "[o]nline financial services, in particular the provision of loans or credit for business purposes following an online application," in Class 36 under 15 U.S.C. 1051(b). The application was published for opposition in the Official Gazette on December 3, 2013.

8. Opposer timely filed a Request for Extension of Time to Oppose Applicant's application on December 3, 2013, which was granted by the Board on December 3, 2013.

9. By virtue of Opposer's prior use, numerous registrations, its family of marks, and substantial investment in its promotion and advertising of Opposer's online banking, financial services, investment and lending services, Applicant knew or should have known of Opposer's rights in and to the Opposer's Marks at the time Applicant filed the Application.

10. Applicant's mark is confusingly similar in appearance, sound and meaning, and creates a similar overall commercial impression to Opposer's Marks. Similar to each of Opposer's Marks and its family of marks, the literal aspect of Applicant's mark consists of the salient term "EVER" combined with a descriptive financial services term "LINE" to form the composite "everline."

11. The services listed in the Application are identical to some of those provided by Opposer and fall within the identifications of services associated with most of Opposer's Marks, and are related to those provided under Opposer's family of marks.

12. Opposer avers that its customers, and the public in general, are likely to be confused, mistaken or deceived as to the origin, association, and sponsorship of Applicant's proposed services to be marketed under Applicant's Mark, and misled into believing that such services emanate from, or are licensed by, or are in some way directly or indirectly associated with Opposer, to the damage and detriment of Opposer and its reputation, the consuming public and the trade. Applicant's Mark so resembles Opposer's Marks as to be likely, when applied, to cause confusion, or to cause mistake or to deceive within the meaning of Section 2(d) of the Trademark Act, 15 U.S.C. § 1052(d).

13. Opposer is likely to be damaged by the registration Applicant seeks because this registration would support and assist Applicant in the confusing and misleading use of Applicant's mark, and will give color of exclusive statutory rights to applicant in violation and derogation of Opposer's prior and superior rights.

PRAYER FOR RELIEF

WHEREFORE, Opposer believes and avers that it will be damaged by registration of Applicant's Mark, and prays that this opposition be sustained, and that U.S. Trademark Application Serial Number 86-008883 be denied, and that no registration be issued thereon to Applicant.
